

QUALIFICATIONS

DYNAMIC ENGINEERING

1 Years Experience

EDUCATION:

Associates in Science - Hillsborough Community College

EXPERIENCE:

Mr. Ramirez joined Dynamic Engineering in 2025, bringing hands-on experience in roofing systems and technical support for manufacturing technologies. With a background in sheet metal installation, pneumatic and hydraulic systems, and OSHA-compliant safety protocols, he contributes both field expertise and technical proficiency. Fluent in both Spanish and English, Mr. Ramirez plays a key role in bridging communication across diverse teams and job sites.

RECENT EMPLOYERS:

- McEnany Roofing

LICENSES / QUALIFICATIONS:

- Certificate of Engineering Technology Support Specialist
- Certificate of Pneumatics, Hydraulic and Motors for Manufacturing
- Certified Torch Applicator
- Solidworks
